3rd SUMMER SCHOOL of BIOINORGANIC MEDICINAL CHEMISTRY

28th August-2nd September 2017, CAGLIARI

The Summer School of Bioinorganic Medicinal Chemistry is devoted to Ph.D. students and junior researchers interested in the most recent topics in the field.

Aim of the School is to reflect the current scenario of this trans-disciplinary field, where the advances in knowledge are driven by chemists, physicians, pharmacologists, and molecular biology researchers.

The School is directed to participants, who are keen to explore the interdisciplinary context of current cutting-edge research in Bioinorganic Medicinal Chemistry.

To achieve these very ambitious goals, the organizers invited the best experts and the most promising researchers.

All participants of Summer School of Inorganic Medicinal Chemistry are required to register.

The fee value is 500 EUR and respective deadline is 30th July 2017.

The registration fee includes:

5 nights stay in double room (full board), admission to all scientific sessions and school material.

Payment

To register to the Summer School, please fill in the registration form, then send it back to lachowicz@unica.it.

All payments must be made in EURO (EUR) and all banking fees must be carried by the participant.

When we receive your payment, you will be sent the official receipt within 10 working days by email.

Cancellation Policy

A 80% refund will be issued for cancellations received before 6th August 2017.

No refunds will be issued for cancellations received after 6th August 2017.

Grant

According to the financial support, a number of Grants, which will cover 250 EUR of the Summer School registration fee, could be awarded to some young researchers.

To participate, the candidate must present:

- A list of all the published or accepted papers (with DOI);
- A Curriculum Vitae and scientific activity (maximum two pages) in PDF, DOC, or DOCX format.

Applicants must e-mail these documents to **nurchi@unica.it** before **July 10th, 2017**.

The decision will be announced on **July 15th, 2017**.
